INTRODUCTION

The Murrieta Housing Authority (“Housing Authority”) is the Housing Successor Agency to the former Murrieta Redevelopment Agency (“Agency”). The Housing Authority is responsible for maintaining housing assets transferred from the former Agency. Its main goal is to provide affordable housing for City of Murrieta (“City”) residents.

This Housing Successor Agency Annual Report (“Annual Report”) contains information on Fiscal Year (“FY”) 2019-20 finances and activities as required by Health and Safety Code (“HSC”) Section 34176.1(f). FY 2018-19 marked the end of the first five-year compliance period for income proportionality. This Annual Report details how the Housing Authority met all requirements for expenditures by income level since the beginning of the second five-year compliance period, which runs from July 1, 2019 through June 30, 2024.

The Annual Report is due to the California Department of Housing and Community Development (“HCD”) by December 31 annually, and must be accompanied by an independent financial audit. The City’s audited financial statements will be posted on the City’s website when available. This report is an addendum to the Housing Authority Annual Report required by HSC Section 34328, which is submitted to HCD by October 1 annually.

HOUSING SUCCESSOR REQUIREMENTS

Senate Bill (“SB”) 341¹ and subsequent legislation enacted several requirements for housing successor agencies. Housing successors must comply with three major requirements pursuant to HSC Section 34176.1:

1. Expenditures and housing production are subject to income and age targets.
2. Housing successors may not accumulate an “excess surplus,” or a high balance based on certain thresholds.

¹ 2013-14 legislative session

3. Properties must be developed with affordable housing within five to ten years of the California Department of Finance approving the Housing Asset Transfer Form.

The requirements are designed to ensure that housing successors are actively utilizing former Agency housing assets to produce affordable housing. Appendix 1 provides a detailed summary of the reporting requirements that are addressed in this Annual Report.

ASSETS TRANSFERRED TO HOUSING SUCCESSOR

Upon the statewide dissolution of redevelopment in 2012, all rights, powers, committed assets, liabilities, duties, and obligations associated with the housing activities of the Agency were transferred to the Housing Authority. The Housing Authority prepared a Housing Asset Transfer Form (“HAT”) that provided an inventory of all housing assets transferred from the Agency to the Housing Authority. This included:

1. Real properties;
2. Low and Moderate Income Housing Fund (“LMIHF”) encumbrances; and
3. Loan receivables.

All items on HAT were approved by the California Department of Finance (“DOF”) on September 5, 2012.

It is important to distinguish that Housing Authority assets that were not transferred from the former Agency, or generated by or purchased with assets from the former Agency, are not subject to HSC Section 34176.1. A copy of the HAT is provided as Appendix 2.

HOUSING ASSET FUND ACTIVITY

Former Agency assets, and the revenues generated by those assets, are maintained in a Low and Moderate Income Housing Asset Fund (“Housing Asset Fund”).² Housing Asset Funds may be spent on:

- **Administrative costs** up to \$200,000 per year adjusted for inflation, or 5% of the statutory value of real property owned by the housing successor and the value of loans and grants receivable from the HAT (“Portfolio”), whichever is greater. The FY 2019-20 limit for the Housing Authority was \$553,469 (5% of the Portfolio value of \$11,069,385).
- **Homeless prevention and rapid rehousing services** up to \$250,000 per year if the former Agency did not have any outstanding housing inclusionary or replacement housing production requirements. The Housing Authority qualifies because the former Agency had a surplus of affordable housing production units upon dissolution.
- **Affordable housing development** assisting households up to 80 percent of the Area Median Income (“AMI”), subject to specific income and age targets.

Five-Year Income Proportionality: If any Housing Asset Funds are spent on affordable housing development, it triggers a requirement to spend at least 30 percent of such expenses assisting extremely low income households (30% AMI) and no more than 20 percent on low income households (between 60-80% AMI) per five-year compliance period. The current five-year compliance period runs from July 1, 2019 through June 30, 2024.

Note that housing successors must report expenditures by category each year, but compliance with income proportionality limits is measured every five years. For example, a housing successor could spend all its funds in a single year on households earning between 60-80% AMI, as long as it was 20 percent or less of the total expenditures during the five-year compliance period.

Ten-Year Age Proportionality: If more than 50% of the total aggregate number of rental units produced by the City, Housing Authority, or former Agency during the past 10 years are

² The Housing Asset Fund replaced the former Agency’s Low and Moderate Income Housing Fund.

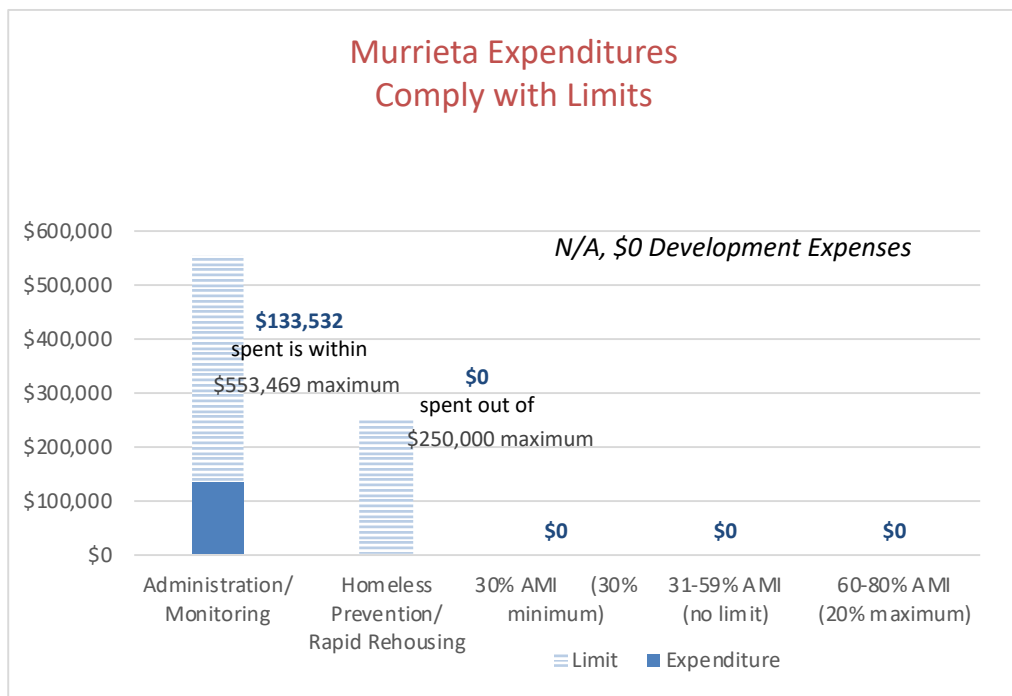

restricted to seniors, the Housing Authority may not spend more Housing Asset Funds on senior rental housing.

Appendix 3 describes Housing Asset Fund expenditure requirements in more detail, including the types of costs eligible in each category.

EXPENDITURE LIMIT COMPLIANCE

The Housing Authority complied with all Housing Asset Fund spending restrictions in FY 2019-20, including five-year compliance period income targeting requirements:³

- Administrative costs of \$133,532 did not exceed the \$553,469 maximum amount for FY 2019-20.
- No homeless prevention or rapid rehousing expenses were made in FY 2019-20.

³ The Housing Asset Fund figures in this Annual Report are based on unaudited numbers that were available at the time this report was prepared. They might vary slightly from audited numbers once the Housing Authority's annual audit is complete.

No affordable housing development-related expenditures were made. Therefore, the five-year compliance period income targets were met.

The Housing Authority will ensure it continues to meet all expenditure requirements going forward, including throughout the current five-year compliance period of July 1, 2019 through June 30, 2024.

Failure to comply with the extremely low income requirement in any five-year compliance period will result in the Housing Authority having to ensure that 50 percent of remaining funds be spent on extremely low income rental units until in compliance. Exceeding the expenditure limit for low income households earning between 60-80% AMI in any five-year reporting period will result in the Housing Authority not being able to expend any funds on these income categories until in compliance.

SENIOR HOUSING LIMIT COMPLIANCE

The Housing Authority complies with the limit allowing no more than 50 percent of the total aggregate number of rental units produced within the preceding ten years to be restricted to seniors. The Housing Authority, City, and former Agency assisted 39 deed-restricted rental units in the last ten years, none of which are restricted to seniors. Table 1 details units assisted by project.

DEPOSITS AND FUND BALANCE

The Housing Authority deposited \$204,387 into the Housing Asset Fund during FY 2019-20. The deposits made in FY 2019-20 include \$19,869 in interest revenue, \$159,597 transfer from the City pursuant to HSC 34191.4(b)(3)(C), \$5,781 from Murrieta Family Housing Partners, LP as loan repayment for the construction of Monte Vista I, and \$19,140 from Monte Vista II Family Housing LLC as loan repayment of Monte Vista II.

The Housing Asset Fund balance as of June 30, 2020 was \$3,166,750 as summarized in Table 2⁴.

EXCESS SURPLUS

The Housing Asset Fund may not accumulate an “excess surplus”, or an unencumbered amount that exceeds the greater of \$1 million, or the sum of deposits in the prior four fiscal years. This requirement ensures that housing successors are actively spending available Housing Asset Funds on affordable housing.

The Housing Authority did not have an excess surplus as of FY 2019-20, as shown in Table 3.

⁴ Housing Authority Fund contains non-housing successor assets. As a result, the Housing Asset Fund balance differs from the Housing Authority Fund balance.

The Housing Authority will continue monitoring its deposits and fund balance to avoid an excess surplus. If the Housing Asset Fund has an excess surplus in the future, the excess surplus must be expended or encumbered within three fiscal years. If a housing successor fails to comply, it must transfer any excess surplus to HCD within 90 days of the end of the third fiscal year.

TRANSFERS TO OTHER HOUSING SUCCESSORS

There were no transfers to another housing successor entity for a joint project pursuant to HSC Section 34176.1.

HOUSING SUCCESSOR PORTFOLIO

The Housing Successor Portfolio includes five properties and six loans receivable transferred from the former Agency. The Portfolio had a value of \$11,069,385 as of FY 2019-20, as detailed in Table 4.

LOANS RECEIVABLE

Six loan agreements were transferred from the former Agency to the Housing Authority as part of the Housing Asset List approved by DOF on September 5, 2012, one of which one was paid off in FY 2018-19. The five remaining loans and a new loan issued in FY 2019-20 are described below, including the outstanding loan balances as of June 30, 2020.

- Three First-Time Homebuyer Down Payment Assistance Loans issued in 2006 for \$20,000 each (\$60,000 total) with a 3 percent interest rate. Loan repayments are due upon the sale of, transfer of, or failure to occupy the property. One of the loans was paid off in FY 2018-19. The outstanding amount due on the two remaining loans is \$56,428.

- One First-Time Homebuyer Down Payment Assistance was issued in 2019 for \$20,000 with a 3 percent annual interest rate. Repayment of the loan is due upon the sale, transfer, or failure to occupy the property. The outstanding balance of the loan is \$20,597.
- A deferred loan issued in 2009 as part of a Community Facilities District (“CFD”) Special Assessment Districts Payoff Program. The outstanding amount due is \$14,214 with a zero percent interest rate.
- A Participation Agreement with Murrieta Family Housing Partners, LP issued in 2003 to construct 64 residential units at Monte Vista I. The principal amount was \$610,046 with a 3 percent annual interest rate. The Agreement stipulates that annual loan repayments be made from the projects’ operating residual receipts. The Monte Vista I loan provides for the Housing Authority to receive 25% of the annual residual receipts as payment on the loan. The outstanding balance as of June 30, 2020 was \$853,179.
- A Development Cost Gap Assistance Loan issued in 2010 to Monte Vista II Family Housing LLC to construct 40 units at Monte Vista II. The principal amount was \$2.2 million with a 3 percent annual interest rate. The Agreement stipulates that annual loan repayments be made from the projects’ operating residual receipts and provides for the Housing Authority to split a portion of the residual receipts with Riverside County (“County”) until the County’s loan is paid off. During years 1-30, the County’s and Housing Authority’s portion is 50% of residual receipts. During years 31-55, that portion is 80% of residual receipts. The Housing Authority’s initial share of the County-Housing Authority portion is 69.66%; after the County’s loan is paid off, the Housing Authority’s share of the County- Housing Authority portion is 100%. The Housing Authority loan is due and payable in full after 55 years. The outstanding balance as of June 30, 2020 was \$2,694,370.

PROPERTY DESCRIPTIONS AND DISPOSITION STATUS

The Agency transferred five properties to the Housing Authority, consisting of one multi-family affordable housing property and four lots of vacant land:

- Monte Vista I, 24740 Jefferson Avenue (APN 949-600-041) – *Multi-family Residential*
- Jefferson South (APN 909-030-032 & 909-030-033) – *Vacant Land*
- 24960 Adams Ave. (APN 906-080-018) – *Vacant Land*

- 42310 B Street (APNs listed below) ⁵– *Vacant Land*
- Vacant Lot (APN 910-140-044) – *Vacant Land Sold September 2015*

HSC Section 34176.1(e) requires all real properties acquired by the Agency prior to February 1, 2012 and transferred to the Housing Authority to be developed pursuant to the requirements detailed in HSC Section 33334.16. All property that falls within in these parameters must be developed for affordable housing purposes or sold within five years from the date DOF approved the Housing Asset Transfer Form, or September 5, 2017. If the Authority is unable to develop or dispose of these properties within the five-year period, the law allows for a five-year extension via adoption of a resolution. All Authority properties transferred on the Housing Asset Transfer Form except for Monte Vista I and the sold vacant lot are subject to this provision.

The Housing Authority adopted a resolution for a five-year extension, September 5, 2022, due to the difficulty of initiating development on three properties consisting of vacant land (42310 B St, Jefferson South, and 24960 Adams Ave). In FY 2018-19, the Housing Authority prepared a Property Disposition Strategy to evaluate options that best maximize and leverage the remaining housing assets. As part of the Housing Authority’s strategy implementation efforts, the Housing Authority has entered into a Purchase and Sale Agreement to dispose of two properties comprised of eight parcels (42310 B St and Jefferson South) and issued a Request for Proposals (“RFP”) to develop an affordable housing rental project on the remaining parcel (24960 Adams Ave) in October 2019. Proceeds from the sale of 42310 B St and Jefferson South will be used in accordance with LMIHF requirements.

Descriptions of the properties and their disposition statuses are below.

MONTE VISTA I, 24740 JEFFERSON AVENUE (APN 949-600-041)

The Housing Authority owns the land under Monte Vista I, a 64-unit apartment building restricted to families earning 30-100% AMI (including one manager’s unit). The Housing Authority leases the land to the owner of the apartment complex. Monte Vista I is adjacent to the affordable community known as Monte Vista II. Built to seamlessly blend, the communities share a swimming pool, on site management,

free Wi-Fi, on site laundry facilities, and covered parking. Conveniently located within walking distance to a public park, a school, public transit and numerous amenities, residents also enjoy on site garden plots, a covered tot lot, computer room and residential services including computer skills, after school programs and more. The property has a 55-year affordability covenant that expires in 2059. In 2020, the owner of Monte Vista I refinanced the permanent loan used to finance the project. The refinanced permanent loan has a 5-year interest-free period, during which the developer intends to resyndicate the project. The affordability covenant that is recorded on the property will be extended when the project is resyndicated.

JEFFERSON SOUTH (APN 909-030-032 & 909-030-033)

This property consists of two parcels totaling approximately 2.09 acres. The property is zoned MF-3, allowing a minimum of 30 dwelling units per acre (62 units) of multi-family residential development. The property is located just outside of the Transit Oriented Development Overlay zone and is designated in the City's Housing Element to help the City meet its Regional Housing Needs Assessment ("RHNA") obligation for lower income households. The Housing Authority entered into a Purchase and Sale Agreement to dispose of the Jefferson South site on November 17, 2020 and will use the funds from the sale to develop affordable housing at 24960 Adams Avenue.

24960 ADAMS AVE (APN 906-080-018)

Covering 6.22 acres and zoned MF-3 for high-density residential development (a minimum of 30 dwelling units per acre), the Adams Avenue property can accommodate up to 186 apartment units. The property is located within the Historic Murrieta Specific Plan area, adjacent to the existing Amberwalk apartment community and within a block of Town Square Park (which includes City Hall and the City Library), the Murrieta Elementary School, and other amenities and attractions. The property is designated in the City's Housing Element to help the City meet its RHNA obligation for lower income households. With its size, zoning, and location, the Adams Avenue property represents the Housing Authority's best opportunity site for new affordable housing development. The Housing Authority issued an RFP to develop an affordable housing rental project on 24960 Adams Ave in October 2019. The Housing Authority has selected a Developer and is preparing a development agreement for the affordable housing rental project.

42310 B STREET (APN 906-193-001)⁶

This property is composed of six parcels totaling 21.49 acres. The property could accommodate up to 84 units on the entire site. However, the property is located in the Murrieta Creek's base flood elevation area, meaning it is within the area expected to flood in a 100-year flood. The Downtown Murrieta Specific Plan ("Specific Plan") emphasizes the development limitations imposed by the creek's flood zone. The Specific Plan recommends limiting development in the floodplain to avoid impacts to sensitive habitats that surround Murrieta Creek and utilizing the area for open and recreational space instead. Keeping development set back from the creek area, as the Specific Plan recommends, reduces the portion of this property that could be developed. Furthermore, the Specific Plan indicates that federal funding to complete the Murrieta Creek Flood Control, Environmental Restoration, and Recreation Project is lacking, meaning the City would have to find alternative funding sources to develop safely in the floodplain. The Housing Authority entered into a Purchase and Sale Agreement to dispose of the 42310 B Street site on July 21, 2020 and will use the funds from the sale to develop affordable housing at 24960 Adams Avenue.

VACANT LOT (APN 910-140-044)

This 10-acre lot of vacant land was sold in September 2015 for \$2.2 million to be developed for non-housing purposes. The sales proceeds were deposited into the Housing Assets Fund and will be used for affordable housing purposes as required by law.

⁶ There are 5 additional APNs associated with 42310 B Street: 906-200-001, 906-200-002, 906-212-001, 906-221-001, and 906-221-002.
