SANTA CLAUS

Dear

Ho! Ho! Ho!

Rudolph just whispered in my ear that the sleigh is nearly packed. He can hardly wait to lead the reindeer with my sleigh full of toys on our long trip to visit the homes of good girls and boys. The elves are busy putting bows and ribbons on the last of the presents.

I just had to take a minute to write and tell you that I am very pleased with the good reports I have received about you. I see that you are on the top of my nice list! Mrs. Claus and I are very proud of you! We knew you could do it!

This is my favorite time of year. I will soon be on my way to visit your house. Remember to go to bed early on Christmas Eve and do me a favor, will you remember to leave the reindeer some carrots? They get awfully hungry during their long journey of delivering presents to all the good boys and girls.
