#### **City of Murrieta selected to host Cycling Road Race Competition**

The 2018 United States Police and Fire Championships have chosen Murrieta to host one of its events: Cycling Road Race. This event will use the same streets as the Tour de Murrieta on Sunday, June 3, 2018.

The United States Police and Fire Championships are an Olympic-style competition with athletes representing law enforcement, firefighters, and officers from corrections, probation, border protection, immigration and customs from across the country. Athletes compete in 54 different sports in 33 venues through-out the surrounding cities. Originally held in 1967, the Championships were created to promote health and physical fitness in the law enforcement and firefighting communities.

Many members of law enforcement and firefighting call Murrieta their home. In addition to consistently being named one of the safest cities in California, Murrieta was chosen to host the event due to the City's emphasis on active, healthy lifestyles, bicycle friendly atmosphere and excellent year-round weather. This venue is close to shopping, restaurants, hotels, and the ever popular wine country.

The Cycling Road Race and all events in the United States Police and Fire Championships are open to the public.
