Murrieta: City and Chamber Align to Get Answers for Business Owners and Residents

MURRIETA: If you have ever wondered what is going on in Murrieta, but didn't know who to ask, look no further. The City's government and the Murrieta Chamber of Commerce have teamed up to bring you 'Coffee with the City,' a monthly meeting for business owners and residents to ask questions, get information and voice concerns.

Coffee with the City occurs every fourth Tuesday of the month at the Chamber offices (25125 Madison Ave., Suite 108, Murrieta) and is free to attend. Coffee and refreshments are provided by the Chamber. Typically, the Mayor, Economic Development Director and the Business Development Manager represent the City, but the panel can vary from month-to-month. Other possible panelists might be the City Manager, Fire Chief, Police Chief, City Planner or the City Engineer. Attendees to the meeting are encouraged to ask questions regarding Murrieta.

"I was able to get a street sign fixed in my neighborhood that had been crooked for years," said Michael Fisher, a resident and regular attendee to the 'Coffee' meetings. "I didn't know who to ask before and now I have this meeting every month with the perfect format to do so."
