

# Governor-mandated Drought Restrictions

What you need to know – join us for our Western Town Halls

Securing Your Water Supply

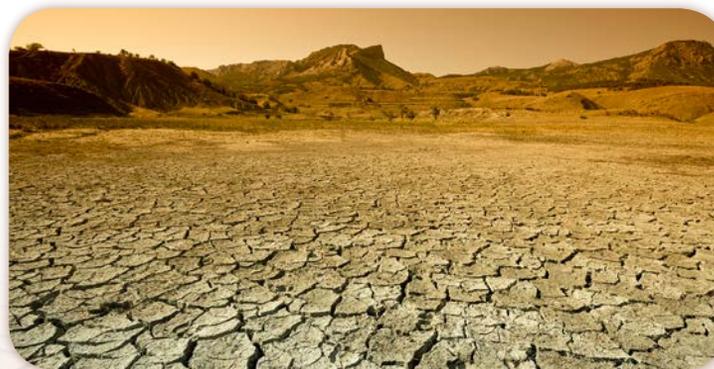

Due to the severity of the drought, Governor Brown took action in April, approving a water-saving mandate that will require Western to reduce water use by 32 percent. Find out what the latest round of mandatory water-use restrictions mean to you, likely a significant cut in outdoor watering.

**Join us at 6 p.m. for one of three Town Hall meetings:**

- **May 26:** Murrieta Library Community Room  
*24700 Adams Ave., Murrieta*
- **June 2:** Woodcrest Library Community Room  
*16625 Krameria Ave., Riverside*
- **June 4:** Western Municipal Water District Office  
*14205 Meridian Parkway, Riverside*

Please call 951.571.7285 or email [outreach@wmwd.com](mailto:outreach@wmwd.com) if you have any questions.

**...tighter water-use restrictions starting in June.**
