I. INTRODUCTION

Pursuant to an Official Statement dated July 21, 2004, the City of Murrieta (the "City") issued \$23,910,000 Community Facilities District No. 2000-2 (The Oaks), Improvement Area "A" 2004 Special Tax Bonds Series "A" and \$10,670,000 Community Facilities District No. 2000-2 (The Oaks), Improvement Area "B" 2004 Special Tax Bonds Series "B" (collectively, the "Bonds"). The Bonds were issued primarily to provide Community Facilities District No. 2000-2 (the "District") with funds to finance storm drainage systems, sewer facilities, potable water facilities, roadway facilities, dry utilities, public park improvements, school facilities and payment of special assessments benefiting the District, to fund a reserve fund, to fund capitalized interest on the Bonds and to pay the cost of issuing the Bonds.

The City is located about 85 miles southeast of central Los Angeles and about 60 miles north of downtown San Diego. The District is located in the northeasterly portion of the City known as "The Oaks" development and consists of approximately 282 gross acres.

The Bonds are special obligations of the District secured and payable solely from pledged Special Tax Revenues derived by Special Taxes ("Special Taxes") collected by the District from real property within its boundaries and other amounts held under the Fiscal Agent Agreement. The Bonds are not a debt or liability of the City, the State of California, or any of its political subdivisions and neither the City, the State of California, nor any of its political subdivisions is liable. The Bonds do not constitute indebtedness within the meaning of any constitutional or statutory debt limit or restriction.

This Annual Continuing Disclosure Information Statement is being provided pursuant to a covenant made by the City for the benefit of the holders of the Bonds and includes the information specified in Continuing Disclosure Agreements. For further information and a more complete description of the District, the City, and the Bonds, reference is made to the Official Statement.

The information set forth herein has been furnished by the City and by sources, which are believed to be accurate and reliable but is not guaranteed as to accuracy or completeness. Further, the information and expressions of opinion contained herein are subject to change without notice and the delivery of this Annual Continuing Disclosure Information Statement will not, under any circumstances, create any implication that there has been no change in the affairs of the City, the District or any other parties described herein.

The total assessed value of the property in Improvement Area "A" is \$230,866,022. A total of 538 building permits have been issued for Improvement Area "A".

¹In comparison to the prior year's Annual Continuing Disclosure Information Statement, the reduction in total assessed value in the is due to the annual review of the Riverside County Assessor to reflect taxable values accurately in consideration of recent market declines.

Under Proposition 13, real property is reappraised only when a change-in-ownership occurs, or when new construction takes place. Generally, a change in ownership is a sale or transfer of property, while new construction is any improvement to property which is not considered normal maintenance. Except for these two instances, property assessments cannot be increased by more than two percent (2%) annually.

Revenue and Taxation Code Section 51 requires the assessor to enroll the lower of either the property's Factored-Base-Year Value (established under Proposition 13) or its market value as of the lien date (January 1).

This reduction is temporary and the assessor is required to review the market value of the property each lien date after the reduction until such time as the Factored-Base-Year Value is less than or equal to the market value.

When the Factored-Base-Year Value is again enrolled, the property is no longer subject to the annual review, and will receive indexing not to exceed two percent (2%) per year.

² Bonded Debt is allocated to each parcel based on the pro-rata share of each parcel's Maximum Special Tax times the principal amount of the outstanding Bonds.

The total assessed value of the property in Improvement Area "B" is \$60,596,897. A total of 211 building permits have been issued for Improvement Area "B". Zone 2 is 100% Developed and represents 41.10% of the Fiscal Year 2008/09 Special Tax in Improvement Area "B". C. FORECLOSURE SUMMARY

The City has covenanted in the Fiscal Agent Agreement for the benefit of the Owners of the Bonds that it will determine or cause to be determined, on or about July 1 of each year, whether or not any owners of property within the District are delinquent in the payment of Special Taxes. If such delinquencies exist and the total Special Tax delinquency in the District for such Fiscal Year is greater than five percent (5%) of the total Special Tax levied, the City will send or cause to be sent a notice of delinquency and a demand for immediate payment thereof to the property owner. The City will thereafter order and cause to be commenced within 45 days of such determination, and diligently prosecute, an action in the superior court to foreclose the lien of any Special Taxes or installment thereof not paid when due. Notwithstanding the foregoing, if the City determines that any single property owner in the District is delinquent in excess of five thousand dollars (\$5,000) in the payment of the Special Tax, then it will diligently institute, prosecute and pursue foreclosure proceedings against the property of such delinquent property owner.

Willdan Financial Services has taken the initial steps required toward foreclosure proceedings by mailing the following letters to delinquent property owners:

Improvement Area	Action	Date Performed	Number of Letters
A	Reminder Letter	2/14/2008	63
	Reminder Letter	5/29/2008	25
	Demand Letter	5/29/2008	51
B	Reminder Letter	2/14/2008	19
	Reminder Letter	5/29/2008	12
	Demand Letter	5/29/2008	17

The City Attorney has performed the following foreclosure actions:

Improvement Area	Action	Date Performed	Number of Letters/Parcels
A	Demand Letter	6/16/2008	22
	Notice of Intent to Strip	8/1/2008	37
	Demand Letter	8/11/2008	1
	Strip Request	11/4/2008	15

A Reminder Letter reminds the property owner that the special tax has not been paid, and should be redeemed with the County. A Demand Letter allows the property owner to redeem the delinquent amount with the County. However, this letter informs the property owner that the Agency will be stripping the delinquent amount from the County Secured Property Tax Roll, and will pursue Foreclosure actions if the amount is not paid. A Notice of Intent to Strip is the recordation of a notice on the title of a property that the delinquent special taxes are going to be removed from the County Tax Roll. A Strip Request is the removal of the delinquent special taxes from the County Tax Roll.
