

Application for Youth Court Volunteer

Southwest Valley Youth Court has been developed as a part of the Murrieta, Temecula, Menifee and surrounding unincorporated areas of the Southwest Riverside County Juvenile Justice System. *These are real cases* in which juveniles have admitted an offense but have chosen to be judged by their peers in determining the consequences.

Youth Court is open to all youth, ages 13-18. Youth Court participants will learn about a respondent's offense and will select a suitable disposition that is designed to hold the youth accountable for his/her actions and to encourage future compliance with the law.

As a youth court volunteer, **you will be committing to participate in the program for an approximate six-month period.** Youth Court is held on the second Thursday of each month from 5:30 - 8:30 p.m. Volunteers will receive 3 hours of community service credit for each youth court session they attend.

The Southwest Valley Youth Court depends on volunteers who care enough to make a positive difference in the lives of others. You can participate as a juror, bailiff, court clerk or attorney. If you would like to be involved in this exciting program, please submit your application to the Southwest Valley Youth Court Coordinator. We are certain you will find Youth Court an interesting and satisfying experience.
