

Ho Ho Ho!

Christmas is going to arrive very soon. I have been really busy getting ready for my sleigh ride from the North Pole to deliver all the gifts to the boys and girls in Murrieta. Mrs. Claus has been busy baking in the kitchen and made some delicious reindeer treats for Rudolf and his team. All of the elves are upstairs in their workshop making toys and they are super busy wrapping them all up. Rudolf and his reindeer are working hard on their preflight exercises so they will be in great shape for their upcoming big night of adventure.

I have been looking at my Naughty & Nice List and I see your name is on the "Nice" List. You have been nice to others and you are doing well in school. Santa and Mrs. Claus are very proud of you.

Well it's time for me to go check on all of my helpers and make sure everything is getting finished on time. I think I'll also stop in the kitchen and see if Mrs. Claus will offer me a couple of fresh baked Christmas cookies! Merry Christmas to all!

Santa
