Supervisor Chuck Washington Third District

April 30, 2020

Dear restaurant partners,

Last Friday afternoon, Governor Newsom announced a new and innovative “Great Plates Delivered” program. This initiative provides restaurant deliveries to seniors and other adults who are at high risk from COVID-19. To read the announcement of the Great Plates Delivered program, click [here](#).

Currently, the County of Riverside is working diligently to partner with food providers that have capacity to deliver. If your business would like to become a vendor in this program AND you have a delivery system in place, please indicate your interest by filling out the form found in this [link](#).

As a business owner, I know that this time is exceptionally difficult for the business community. Programs like Great Plates Delivered have the dual purpose of supporting local businesses while providing food to vulnerable populations.

Thank you for your service to the community during this difficult time.

Sincerely,

Chuck Washington
Riverside County Third District Supervisor
