Donate your surplus food...

it's sure to bring a smile!

LET NOTHING BE WASTED

Food Donation Connection is the world's largest coordinator of surplus prepared food donations. From the company's 1992 launch with a single donor partner, the program now supports hundreds of partner companies donating from over 17,000 locations in North America, Europe, Asia, and South America. These donations provide nutritious surplus food to more than 10,000 charities feeding those in need. In 28 years of growth, FDC has become the industry leader in prepared food donation in the areas of donation logistics, tax incentives, and food safety. We'd like to help you bring a smile to people in your communities, too!
