

**APPENDIX E2**  
**FAULT STUDY EMAIL**

**From:** Tim Lester <[tlester@eetiger.com](mailto:tlester@eetiger.com)>

**Sent:** Thursday, May 13, 2021 2:42 PM

**To:** Cynthia Mejia <[cmejia@nationalcore.org](mailto:cmejia@nationalcore.org)>; Mohammad J <[mohammadj@eetiger.com](mailto:mohammadj@eetiger.com)>; Cathy Aguirre <[caguirre@eetiger.com](mailto:caguirre@eetiger.com)>

**Subject:** Re: Adams project geotechnical evaluation

Cynthia --

I talked to our engineer and he reiterated that its our opinion a fault study is not required if the set back we advised is used.
