City of Murrieta and Murrieta/Wildomar Chamber of Commerce Partner to Celebrate Restaurant Week and the Importance of Local Restaurants

Murrieta, CA: From January 23 – 30, the City of Murrieta and the Murrieta/Wildomar Chamber of Commerce are partnering to bring Restaurant Week 2022 to town. With hundreds of dollars in local restaurant gift cards being given away during the event, this is the perfect time to discover new dining spots and support your all-time favorites. Murrieta Restaurant Week aims to support local eateries with community outreach, bring awareness to the important role these businesses play in Murrieta’s economy, and to introduce residents to new options for dining local.

Now more than ever, let’s support Murrieta restaurants who have worked hard to bring their best to our community. With multiple ways to win prizes, make sure to follow both the City of Murrieta (@cityofmurrieta) and the Murrieta/Wildomar Chamber of Commerce (@mmwoc) on Facebook and Instagram. There will be five grand prize winners announced at the completion of Restaurant Week winning gift card bundles worth \$200 to local restaurants. To enter, share your local dining photos on social media and use the #DineLocalSWRC between January 23 – 30. Each post is a new chance to win the grand prize gift card pack! Want additional chances to win? Each day of Restaurant Week 2022, there will be mini contests with multiple chances to win. To participate, a photo of a different signature dish from a Murrieta or Wildomar restaurant will be shared on Facebook and Instagram. The first person to correctly comment with the restaurant name will win a \$25 gift card to a local restaurant. Each day there will be two chances to win one of these mini contests!
