**TENANT IMPROVEMENT**

**NEW COMMERCIAL**

**SINGLE FAMILY**

**MULTI FAMILY**

Project Number: \_\_\_\_\_ Project Address: \_\_\_\_\_

Owner of Building: \_\_\_\_\_

Address: \_\_\_\_\_

Future Occupancy (intended use) without required Certificate of Occupancy, gives the city of Murrieta the right to disconnect the utility service allowed by approval of this request.

This request is not valid, unless approved by the Director of Building Safety.

I, \_\_\_\_\_, as a licensed electrician, State License # \_\_\_\_\_, Expiration date \_\_\_\_\_, Business License # \_\_\_\_\_, Expiration date \_\_\_\_\_ do hereby request authorization to connect and approval for the use of the permanent electrical service at the above location based on my certification as a licensed electrician that:

1. The related electrical installation is such condition that service may be safely connected and used without undue danger to life or property.
2. The use is for the sole purpose of completing the subject construction and for the convenience of the contractors, workers, etc.

Further, I acknowledge and understand that an approval of this request, if granted, does not give or imply any approval of occupancy of the premises prior to the required final inspections and issuance of a Certificate of Occupancy.
